

PLANNED GIVING - ENDOWMENT FUND PROGRAM: TOGETHER AGAINST CANCER

By making a personalized donation to the **TOGETHER against cancer** fund program of the Institut du cancer de Montréal, you are giving yourself the privilege of contributing in the long term to the progress of research and the fight against cancer.

You leave your mark in a lasting way and contribute concretely to the program:
TOGETHER against cancer

Sustainability of your charitable choices

This endowment fund is made up of contributions that accumulate to increase the original fund, which is invested in risk-free investments where only the income generated by the fund is used to support the Institute's mission (*).

How to subscribe to this program:

Pre-determined contributions

The donor must make a donation (*) totaling at least \$5,000. This amount could come from a single person or from several individuals grouped under the same name. As recognition, the Institut du cancer de Montréal will issue an official certificate in the name of the donor or group. A mention in the same name will be included on the website and in the Recognition section of the Institute's annual report. Also, a specific mention will be attributed as a major donor within the framework of the program: **TOGETHER against Cancer**.

Different options for making a contribution to the fund TOGETHER against Cancer

The contribution can be made:

- Cash (check, visa, etc.);
- An insurance policy;
- A bequest in a will;
- A transfer of shares;
- A combination of several types of donations.

The donor agrees to pay the minimum amount of \$5,000 in a single payment or in instalments over a maximum period of 5 years.

() In order to support as many projects as possible, all donations that are part of this long-term program will be included in an endowment fund called TOGETHER Against Cancer. Only the total income generated (through risk-free investments) will be used for funding according to needs and priorities and in compliance with the Institute's strategic priorities (see the Institute's Donation Policies for more details).*

If you wish to create an endowment fund with a specific allocation, please contact us and we will be happy to assist you in this process.
